GBG Tech Forum 2 September 2026

Draft MDC 1.6

1. **FP** to make the changes raised
2. **RW** to consider how MDC 1.6 could be published with the option of using REST or SOAP API technologies.
3. **FP** to circulate an updated draft to the Group once all amends completed
4. **MG** to provide verbal update to Machines Group (10 Sept)

Tito 2.4b

5. **FP** to send to CM for the Machines Group to Ratify it

Review of other GBG Protocols

6. **RW** offered to review the following protocols to see if any updates are required:

    - GBG Promotional Non-Cashable (Web Services) Technical Standard V1.4 (approved April 2022)
    - GBG EFT (Web Services) V1 (approved November 2022)
    - GBG Machine Host Registration V1.1a (approved July 2022)
    - GBG General Codes V 1.3 (Approved September 2021)

7. **MG** currently reviewing the following protocols:
    - GBG CoC for ATMs and ATRs in LGPs Dec 2022
    - and Debit Card Transaction code of conduct May 2020

Agreement that going forward would look to update protocols with both SOAP and REST options – focusing first on MDC and then TITO.

Alternative Method to Ticket printing

8. **RW** to provide summary to CM/MG ahead of the Machines Group meeting (10 Sept) for discussion

Date of next meeting of Tech Forum: 4th November 2026 (11- 12 by Teams)
